## HONOR SYSTEM

We trust that you will use the coupon to enjoy Evamor Alkaline Water. We trust that you won't post the coupon on coupon sharing sites. We also trust that you won't go crazy and print 50 copies and try to redeem them at once (the offer is one coupon use per store visit). If you want to print two or three coupons, well, times are difficult and we understand. We trust our fans and their judgement.

## HELP

If you have a problem with the printing or downloading the coupon, kindly email [eva@evamor.com](mailto:eva@evamor.com) with your email address and we will be happy to email you a PDF version of the coupon. Please be patient as it may take 24 hours to get to your request. If your local retailer does not accept coupons printed at home, you can send your address to [eva@evamor.com](mailto:eva@evamor.com) and we will send you a manufacturer's coupon printed at our local printer on paper normally used for coupons.

## GREAT STUFF

We invite you to learn why Evamor Water's naturally high alkalinity is great for your health at [EVAMOR.COM](http://EVAMOR.COM). We are gladly providing a coupon for you to taste Evamor Water, a water like no other. You will love the taste because when you open the cap, it is the first time the water is touching air in about 8,000 to 10,000 years - long before there were any contaminants or pollutants from the modern world

## WHERE TO FIND EVAMOR

Evamor is available at most large grocery chains across the country, but Whole Foods loves us and gives us great visibility. So check there first. If you can't find Evamor at your favorite local grocery store, you can ask them to carry Evamor by using the Store Manager Request Form located [here](http://www.evamor.com/blog/tell-your-store-manager/)—<http://www.evamor.com/blog/tell-your-store-manager/> —the Evamor.com site. You can also ask your local health food store to order the water for you. Evamor Water is widely available from UNFI / KEHE / Tree of Life distributors and any retailer can order the water to be carried in their retail location. California and New York state have recently overwhelmed our supply but we have now caught up and are pushing more Evamor into those states as we speak.
